

Penny Raffle:

You could win a \$500 cash prize by purchasing 1 ticket for as little as a PENNY!

Here's how it works. The raffle has 600 tickets ending in numbers from 001 - 300. Draw as few or as many tickets as you want. The last three digits of each ticket will determine how much you owe (anywhere from \$0.01 - \$6.00).

Purchase five at one time, and be eligible for an additional prize drawing. After all the tickets are sold, we will draw the lucky winners on the last night of the rally.
